MODERN GBQ

Grace Building Quote

For Builders

Quote in minutes. Win more jobs.

Stop losing nights to pricing jobs you may never win. Modern GBQ turns a project brief into a complete, stage-by-stage estimate using the GEM method.

From days to minutes

Enter the project once. GEM calculates quantities and costs for every stage.

Your rates, your margins

Tailor the estimate to the way your business actually works.

Quotes clients trust

Present clear, professional, itemised quotes that win confidence.

Serious clients only

Meet homeowners and developers who already know their budget.

1. **Register as a builder**
2. **Enter the project details**
3. **Review, adjust and send your quote**

Powered by GEM, the Grace Estimation Method: developed by architect Sam Grace over 35 years in construction across Australia, the UAE and Egypt.
