MODERN GBQ

Grace Building Quote

For Project Managers

Control cost from day one.

An independent baseline estimate, a clear breakdown and the ability to check tenders and variations: Modern GBQ keeps the numbers under control.

Independent baseline

Start every project with a GEM estimate you can measure everything against.

Check tenders and variations

Compare contractor pricing and change requests to a consistent reference.

Track across projects

Keep budgets and estimates for all your projects in one place.

Clear reporting

Give clients and stakeholders cost breakdowns they can understand.

1. **Create your account**
2. **Set the project baseline**
3. **Monitor tenders, variations and budget**

Powered by GEM, the Grace Estimation Method: developed by architect Sam Grace over 35 years in construction across Australia, the UAE and Egypt.

Take control of your project costs
